

Introducing

375 Angler

This 5 bedroom, 4 bathroom home spans 3562 sq ft and offers beautiful views along with high end finishings. Living room features a stunning 2 story gas fireplace as a center piece and backs onto the modern 2-toned kitchen with stone counter tops, stainless steel appliances and flat island with seating. Nearby dining room overlooks the oasis of a back yard with pool, low-maintenance landscaping and 2 covered patio areas (one with hot tub wiring!) The double garage opens to a smart mud room and nearby over-sized pantry. The master bedroom is on the upper level and features a gorgeous ensuite with heated floors and sophisticated white and grey stone throughout. 2 spacious bedrooms and a full bath up plus laundry room with cheater door to master for convenience. The lower level holds a spacious family/rec room with a smart wet bar plus 2 more bedrooms and another full bathroom. This home is wired for sound inside and out and has been finished with great attention to detail and quality.
